K–5

Thank You Teacher Card

Name / chosen name: _____

Write or draw a specific thank-you to a teacher or educator, real or imaginary. Use these panels to plan the front and inside of a card, then copy your design onto folded paper. No gift or personal information is needed.

FRONT: an original picture

INSIDE: Thank you for…

1. One example of something helpful they did

K–5

Things My Teacher Taught Me

Name / chosen name: _____

Choose things an educator helped you learn. You may use an imaginary classroom, drawings, speech or a scribe.

A skill I practiced

An idea I understand better

A helpful learning strategy

A question I want to explore next

K–5

Teacher Appreciation Certificate

Name / chosen name: _____

Create a kind, specific appreciation certificate. Use a chosen name or an imaginary educator.

THANK YOU, EDUCATOR

1. Presented to

2. For helping learners by

3. A specific example

4. From / chosen name

K–5

My Favorite Classroom Memory

Name / chosen name: _____

Draw a positive classroom moment, real or imagined. Do not include classmates' names or private details.

1. What happened in the scene?

2. What helped people learn or participate?

3. A message of appreciation

K–5

Design an Award for an Educator

Name / chosen name: _____

Design an original award for a helpful teaching action. Make it about a specific contribution rather than ranking people.

1. My award title

2. The helpful action it recognizes

3. A short appreciation message
