

Energy Saving Challenge

Name / chosen name: _____

Choose actions an adult agrees are suitable. Investigate without touching electrical controls or appliances.

- ☐ Notice a light that could be switched off by an adult
- ☐ Use daylight where suitable
- ☐ Choose a reusable item
- ☐ Reduce unnecessary printing
- ☐ Notice a door or window affecting heating or cooling
- ☐ Ask an adult about one energy-saving idea

1. One change we could plan

2. How we could notice whether it helped
