

Learning About Country and Place

Name / chosen name: _____

Connection to Country can involve land, waters, culture, community and responsibilities. Aboriginal and Torres Strait Islander peoples are diverse, and local meanings and protocols matter.

Use local Traditional Owner or community sources where available. An Acknowledgement of Country and a Welcome to Country have different roles. Do not invent cultural words or expect a classmate to speak for a community.

1. What is one idea supported by the text?

2. Which distinction helps prevent a misunderstanding?

3. Name a respectful way to continue learning.
