

# Plant a Seed Record

Name / chosen name: \_\_\_\_\_

With an adult, plant an appropriate seed. Draw what you notice on three different days. Results and growth times vary.

**Day / date: \_\_\_\_ What I see**

**Day / date: \_\_\_\_ What I see**

**Day / date: \_\_\_\_ What I see**

**My question about the plant**

Do not eat experiment seeds. Wash hands and let an adult manage soil, tools and any mould.
