

Ways to Make One Hundred

Name / chosen name: _____

Find different ways to make 100. Show working or explain using a chart.

1. $40 + \underline{\quad} = 100$

2. $\underline{\quad} + 27 = 100$

3. $10 \times \underline{\quad} = 100$

4. $100 - \underline{\quad} = 65$

5. Four equal groups total 100. Each group has $\underline{\quad}$

6. Write two different additions that total 100
