Interview Someone Special

Name / chosen name: _____

Invite a trusted older adult with their permission, or use an imaginary interview. Do not record names, ages or private family information. Passing is welcome.

1. What games did you enjoy when you were young?

2. What was school like in your experience?

3. What music did you enjoy?

4. A memory you choose to share

5. Advice you would like to offer

One person's memories do not describe every childhood or community.

With an adult-approved route, find examples of these ideas in the room or in pictures. Move calmly with a partner, or use a seated picture hunt. Do not leave the activity area. A missing item is a valid finding.
