Assumptions and Respectful Questions

Name / chosen name: _____

All groups and places here are imaginary. Rewrite each assumption as a respectful question that a person may choose not to answer.

1. “Everyone in Baytown eats the same dinner.”

2. “All members of the Star Club enjoy dancing.”

3. “Nobody from Hillvale plays football.”

4. “Every person in Greenbridge speaks one language.”

5. “All families in Northpond celebrate the same way.”

6. “Everyone from Brookside believes the same things.”

Try “What would you like to tell me about…?” or research a source instead of asking a person. Accept “I’d rather not share”.
