Harmony Week Activity Passport

Name / chosen name: _____

Print the fold sheet on one side of A4 landscape at actual size. Six stations form an eight-page mini book. No food tasting is required.

Fold and assemble

1. Fold the sheet in half both ways. Fold the short edges to the middle, then open to show eight panels.
2. Fold across the short direction so the four columns become two.
3. Cut from the folded edge along the bold centre line, only to the next crease. Open: the slit crosses the two middle panels.
4. Fold along the long centre crease. Push the ends together to open a diamond at the slit.
5. Flatten into a book. Fold the pages so Harmony Passport is the cover.

Check your page order
